- If you think you are beaten Then you are.
- If you think you dare not Then you won't.
- If you like to win, but don't think you can ...It is almost a certain you won't.
- If you think you will lose Then you have already lost.
- For out in the world you will find success begins with a person's willit is all in a state of the mind.
- If you think you are out classed You are.
- You have to think higher to rise You have to be sure of yourself before you can ever win a prize.
- Think big and your deeds will grow. Think small and you will fall behind.
- Think that you can And you will.

It is all in a state of mind.

The battles (victory) of life do not always go to the stronger or faster man.

- But sooner or later the man who wins Is the man who thinks he can.

For as a man thinks in his heart So is he!

Jesus is Lord!
